Financial assistance is available only for emergency and other medically necessary care. Thank you for trusting us to care for you and your family for all of your healthcare needs.

We are sending this letter and the attached financial assistance application because we received your request. If you did not request this, please disregard. Please complete both sides, including your signature and date before returning it. If you completed an application within the past six months and were approved for financial assistance, please notify us. You may not need to complete a new application. We will not consider a prior application that is greater than six months old.

Along with the application, please provide a copy of at least one of the following items as your proof of income. If you are married or have lived with a significant other for 6 months or longer, they will also need to provide a copy of at least one of the following items as proof of their income before the application can be processed.

- Copies of 3 most recent paystubs from employer

- Parent or Guardian's most recent yearly tax return, if applicant is a dependent listed on their tax form and under the age 25
- Other income validation documents

If you receive assistance from or live in a home with a family or friends, please have them complete the attached form labeled "Letter of Support." This will not make them responsible for your medical bills. This will help show how you are able to afford living expenses. Finally, please also provide documentation as proof of your outstanding monthly medical and pharmacy/drug costs.

Please know that the completed application along with proof of income must be received in order for the application to be considered. We are unable to process or consider applications that are not complete.
