New Temporary Visitor Restrictions due to COVID-19

Updated 11/18/20

Ascension Michigan hospitals have implemented temporary visitor restrictions to help ensure the safety of our patients, caregivers and staff. Please contact the hospital before visiting.

CURRENT VISITOR POLICY

No visitors with the following exceptions:

- One (1) guardian who has been appointed to make medical decisions for patients who have been deemed a legally incapacitated individual
- One (1) visitor allowed in Labor and Delivery in addition to midwife/doula
- One (1) visitor allowed for Outpatient Surgery - must stay in waiting room
- One (1) visitor allowed for pediatric patients (21 years and younger)
- One (1) visitor allowed in Outpatient Radiology and Lab if necessary for patient assistance
- Exceptions will be made on a case-by-case basis relative to the patient’s individual needs by the management in the patient care area
- End-of-life visitation does not apply to these restrictions

Visitor requirements for entry:

- All visitors are required to complete a screening
- Must wear a mask and practice social distancing while in the patient room and any area of the facility
- Must stay in the patient room or designated area - limit going to other areas in the hospital
- Must wash your hands and use hand sanitizer before and after your visit
- Should a visitor not have a mask one will be provided
- Please discuss any questions with the care team

- A visitor is defined as one (1) person for the duration of a patient’s episode of care
- Visitors should be at least 18 years old and not in a high-risk health category such as older adults and those with underlying medical conditions

Visitor guidelines are compliant with the Centers for Medicare & Medicaid Services (CMS)
