Insurances Accepted

Medicare Part B (including Medicare Advantage plans)
Most commercial insurances
We are unable to accept Medicaid insurance since current regulations do not allow coverage for mass immunization clinics. These include, but are not limited to, Medicaid, Healthy Michigan Plan, Cofinity NGS-Bronson Employees or any Medicaid HMO plans (e.g., Meridian, McLaren Health Plan, United Healthcare Community Plan, Priority Health and Coventry Cares). Patients with Medicaid or Medicaid HMO coverage should call their primary care physician and schedule an appointment to have their flu immunization.

For anyone without insurance, we offer a discount for payment by cash or check at the time of service. We are not able to accept credit or debit cards.

$29 Trivalent Flu $90 Pneumovax 23
$38 Quadrivalent Flu $135 Prevnar 13
$38 FluMist Nasal Spray

Informed Consent form

On the last page is a flu immunization Informed Consent. You may complete this form at home and bring it with you to the clinic you choose to attend. There will be additional copies at the clinics as well as informed consents for the other vaccines listed above. Any questions you have when completing the form can be addressed when you arrive at the clinic.
