

# Go Motown: City Slickers 2016

**Published on** June 13, 2016

You may have already *Heard It Through the Grapevine*, but consider this your 'Save the Date.' We'll be getting down and going Motown at the 13<sup>th</sup> Annual City Slickers! Be sure to mark your calendars for Saturday, Aug. 13, 2016 at Potawatomi Hotel & Casino.

The dressed down affair will benefit Wheaton Franciscan Cancer Care and is being generously chaired by Dr. Manfred and Rebecca Chiang.

Headlining the stage will be *A Temptations Revue: A Tribute featuring Nate Evans*. With more Motown hits than you've heard in ages, this is certain to be a night you won't soon forget. Gather your Motown lovin' friends and get in on the fun. This signature event is always a delight.
