

**Ascension Sacred Heart**

*d/b/a Ascension Sacred Heart Pensacola*

*d/b/a Ascension Sacred Heart on the Emerald Coast*

*d/b/a Ascension Sacred Heart on the Gulf Coast*

**AMOUNT GENERALLY BILLED CALCULATION**

7/1/22

Ascension Sacred Heart calculates two AGB percentages – one for hospital facility charges and one for professional fees – both using the “look-back” method and including Medicare fee-for-service and all private health insurers that pay claims to the Organization, all in accordance with IRS Reg. Sec. 1.501(r)-5(b)(3), 1.501(r)-5(b)(3)(ii)(B) and 1.501(r)-5(b)(3)(iii). The details of those calculations and AGB percentages are described below.

The AGB percentages for Ascension Sacred Heart are as follows:

AGB for hospital facility charges:

Ascension Sacred Heart Pensacola 26.3%  
Ascension Sacred Heart Emerald Coast 21.6%  
Ascension Sacred Heart Gulf 26.4%  
Ascension Sacred Heart Bay 20.1%

AGB for physicians’ professional fees:

Ascension Medical Group Sacred Heart 26.3%

These AGB percentages are calculated by dividing the sum of the amounts of all of the hospital facility’s claims for emergency and other medically necessary care that have been allowed by Medicare fee-for-service and all private health insurers that pay claims to the hospital facility (separately for facility charges and professional services) by the sum of the associated gross charges for those claims. The only claims that are utilized for purposes of determining the AGB are those that were allowed by a health insurer during the 12-month period prior to the AGB calculation (rather than those claims that relate to care provided during the prior 12 months).

Notwithstanding the foregoing AGB calculations, Ascension Sacred Heart has chosen to apply a lower AGB percentage for Ascension Medical Group Sacred Heart as follows:

Ascension Medical Group Sacred Heart AGB: 26.3%
