October-22
Proveedores cubiertos y no cubiertos

Conforme a las regulaciones en la sección 1.504(r)-4(b)(1)(iii)(F) y el aviso 2015-46, esta lista especifica los proveedores de servicios de emergencia y atención médicamente necesaria ofrecida en las instalaciones del hospital cubiertos por la Política de Asistencia Financiera (Financial Assistance Policy, FAP). Los procedimientos electivos y cualquier atención que la FAP no considere como atención de emergencia o médicamente necesaria no están cubiertos bajo ningún proveedor.

La siguiente lista identifica los proveedores cubiertos y no cubiertos por la FAP en cada instalación de la región Mid-Michigan de Ascension. Las listas completas de cada entidad de la región Mid-Michigan de Ascension también están disponibles en los sitios web de las instalaciones o impresas si se solicita.

Las Listas de proveedores cubiertos y no cubiertos se actualizan al menos una vez cada tres meses para garantizar la identificación precisa de los proveedores de atención cubiertos y no cubiertos por el Programa de Asistencia Financiera.
