Ascension

Information and Resources

Entrance:

- Enter main hospital entrance from 5:00 a.m. to 8:00 p.m.
- Enter through the ER prior to 5:00 a.m. and after 8:00 p.m.
- Valet parking is available weekdays, from 5:00 a.m. to 1:00 p.m. The cost is \$4.

Registration:

- Make sure you bring your ID and insurance card, and leave all valuables at home.
- Go to the information desk and they'll direct you to registration on the 1st floor.

Private Rooms & Infant Security:

- All rooms are private. You'll be evaluated, and will go through labor and deliver in your private room.
- Due to COVID-19 restrictions, one person can stay with you throughout your stay.
- After you've recovered, you'll be transferred to a private postpartum room with a sleeper couch for your support person. The private postpartum room is equipped with a bathroom and mini refrigerator.
- We provide a specialized electronic tag for baby (HUGS) and mom (KISS) to make sure your baby is kept within the secured area.

Rooming-In & Special Care Nursery:

- We practice rooming-in for our families to assist in teaching parents how to care for their newborn.
- For infants who require observation or support, we have a special care nursery (SCN) to care for babies 32 weeks gestation and above. The SCN is staffed by neonatologists, pediatricians and neonatal nurse practitioners (NNPs).

Information and Resources

Online Classes to Help Prepare for the Birth of Your Baby

Studies show that parents who take classes to prepare for the birth of their child feel more empowered, educated and at ease when the time comes. Having a baby is a big responsibility and we're here to help you prepare.

Due to COVID-19 restrictions, in-person classes have been suspended. For your convenience, we're offering e-classes or virtual classes in the areas of childbirth, breastfeeding and infant care. For more information and to register for our classes, please click [here](#).
