

STOP

Temporary visitor guidelines: COVID-19

Visitor limitations within all Ascension care settings are necessary for the safety of our patients, visitors, care teams and community to control the spread of Novel Coronavirus (COVID-19).

What visitors need to know before entering:

- **Waiting rooms are currently closed** to visitors with the exception of:
Visitors accompanying a patient under the age of 18 or
Visitors accompanying patients with disabilities or impairments or who are elderly
- **Emergency Room patient visitors** are limited to one (1) per patient in a 24-hour period and must stay in the patient room.
- **Surgery or procedure patient visitors** are limited to one (1) per patient. Visitors will be required to wait outside of the building once the patient is moved into surgery.
- **Maternity patient visitors** are limited to one (1) visitor per patient in a 24-hour period.
- **COVID-19 patient visitors** are limited to one (1) per patient in a 24-hour period.
- Visitors will be required to complete a screening for entry.
- Visiting hours may vary, please ask the care team.
- It is highly recommended that visitors are at least 18 years old.
- Virtual communications with your loved ones are always encouraged and accessible here:

What visitors need to do once cleared for entry:

- Must wear a mask and practice social distancing while in the patient room and any area of the facility.
- Must stay in the patient room or designated area - limit going to other areas in the hospital.
- Must wash your hands and use hand sanitizer before and after your visit.
- Please discuss any questions with the care team.
