In an electronic environment the same legal weight associated with an original signature on a paper document can be associated with an electronic signature. Physicians are not required to be employees of the participating hospitals and thus agree to allow the use of his/her signature only for the purpose of ordering procedures at the hospitals and sending referrals to other medical providers.

I certify that the identifiers assigned to me for the purpose of this attestation process will be kept confidential, will not be disclosed to others and will be used appropriately.

I also understand that I am ultimately responsible for any orders transmitted using Order Facilitator on my behalf by my office staff.

Furthermore, I understand that the privilege to use the Order Facilitator system may be revoked if it is not used appropriately.
