

ASV BurnConsult mobile app

ASV Burn Consult is a free app that allows referring providers to consult our burn physicians in real time with 24/7 access. It is a HIPAA-compliant app that allows you to send pictures of the burn injuries directly to our expert burn providers to discuss appropriate triage and treatment of your patients.

Benefits:

- Free
- 24/7 access to our expert providers
- Fully HIPAA-compliant
- Ability to assess burn wounds within seconds
- Decrease/eliminate over/under triage
- Save patients/families unnecessary cost and travel expense
- Easy to use
- Safe/secure
- Economical
- Convenient
