

Dear Community Member,

It is my pleasure to present to you the 2024 Ascension Saint Thomas Rutherford Physician Directory. I hope it will serve as a valuable resource, connecting you with both primary care physicians and specialists. Our medical staff has experienced unprecedented growth in the last few years and now includes 646 physicians in over 62 specialties, ensuring that we can meet the varied healthcare needs of our community. While the faces and names in this year's directory may be new to some, our dedication to providing compassionate care remains constant.

When our hospital opened its doors in 1927, we made a commitment to care for the health and wellness of the people of Rutherford County. Since then we've had many exciting advancements to our hospital and clinical programs. At our main hospital campus, we completed our 8th floor expansion, a 22,000-square foot 36-bed wing and lobby, dedicated to serving as a step-down unit for patients in need of an intermediate level care between leaving the ICU and rejoining the general patient population. Also, in April of 2023, our cardiac team performed the first open heart surgery procedure. This accomplishment is a true testament of the hard work and dedication by many over the past few years, advancing the level of heart care in our community. Additionally, we opened Tennessee's first neighborhood hospital, Ascension Saint Thomas Rutherford Westlawn in March 2023.

As an integral part of this community, Ascension Saint Thomas Rutherford remains deeply committed to serving you. Thank you for entrusting us with your medical care. It is a special privilege we have to care for those in need of our services and to minister to our patients and their families.

In His Service,
