

Junior Volunteer Summer Program at Ascension Saint Thomas Hospital Midtown

The Junior Volunteer Summer Program offers a unique opportunity for teens 15-18 years old and still in high school. Junior volunteers will learn about having compassion for others, while gaining experience in supporting patients, families, and staff in a hospital setting.

Our Junior Program is designed to provide students a supervised hospital experience.

We are looking for Junior Volunteers that are interested in a healthcare career, and have the following characteristics; mature, responsible, friendly, positive attitude, 3 E's; Energy, Excitement and Enthusiasm, and ability to commit to the six week program.

The 6-week summer program is offered June through July, with volunteer shifts scheduled one day a week, Monday - Friday from 8:00am-12:00pm.

Application for the 2027 Summer Program will be available January 4th until February 28th or until the program is full.

Volunteer Opportunities are available in: Information Desk Assistant, Gift Shop, Supply Management, Oncology/Breast Center, Greeters, Cardiac Rehab, Emergency Room, and multiple clinical areas.

You can find the application in January by visiting:
