Ascension Saint Thomas

Junior Volunteer Program here at Ascension Saint Thomas Rutherford

The Junior Volunteer Program offers a unique opportunity for teens 15-18 years old. Junior volunteers will learn about having compassion for others while gaining experience supporting patients, families, and staff in a hospital setting.

Our Junior Program is designed based on the junior volunteer interest in healthcare and we will provide educational information and a behind-the-scenes look at health care careers.

The program is offered July 12th through July 30th, 2027 from 9:00am-11:00am. Application submission is open from January 1st until the program is full.

Days of the program: 3 weeks T-W-TH program: Graduation on last day of program
