Medical and Allied Health Professional Staff Dues, 38907

Scope:

Saint Clare's Hospital

Purpose:

Medical and allied health professional dues are established to help cover the administrative expenses associated with credentialing, to sponsor educational programs for the medical staff, recognize significant events (i.e., births, expressions of sympathy, retirements) for medical staff members and/or employees, and contribute to charitable community causes or agencies.

Policy Statement:

Definitions:

Policy:

MEDICAL STAFF DUES - Active Medical Staff members will be charged \$75.00 for medical staff dues at initial appointment and each calendar year. \$100.00 dues are due at appointment and each calendar year for

- A. Locum tenens providers
- B. Courtesy
- C. Limited H&P providers

ALLIED HEALTH DUES – Allied Health Staff members will be charged \$50 at initial appointment and for each calendar year following initial appointment and \$25 for Authorized Providers

USES OF STAFF DUES - The funds raised through staff dues may be utilized to cover costs associated with the following:

- A. Reimbursement of travel/education costs for Medical Staff office personnel as recommended by the Manager of Medical Staff Services and approved by the MMT and the

hospital CAO.

- B. On-site or regional sponsorship of continuing medical education programs approved by the MMT and hospital VPMA.
- C. Any other uses must be approved by the MMT, MEC and the hospital VPMA.
- D. Leadership training for the MMT approved by the hospital President or VPMA.
