

ASCENSION SETON

AMOUNT GENERALLY BILLED CALCULATION

July 1, 2023

Ascension Seton calculates one AGB percentage using the “look-back” method and including Medicare fee-for-service and all private health insurers that pay claims to the Organization, all in accordance with IRS Reg. Sec. 1.501(r)-5(b)(3), 1.501(r)-5(b)(3)(ii)(B) and 1.501(r)-5(b)(3)(iii). The details of that calculation and AGB percentage is described below.

The AGB percentage for Ascension Seton is as follows:

Seton (TX) - Bastrop	22.70%
Seton (TX) - Dell Medical Center	67.97%
Seton (TX) - Dell Medical Center North	67.97%
Seton (TX) - Dell Seton Med Ctr UT	27.59%
Seton (TX) - Edgar B Davis	26.03%
Seton (TX) - Hays	18.18%
Seton (TX) - Highland Lakes	31.76%
Seton (TX) - Medical Center	23.37%
Seton (TX) - Northwest	23.30%
Seton (TX) - Smithville	33.92%
Seton (TX) - Southwest	30.67%
Seton (TX) - Williamson	17.10%
Shoal Creek	27.11%
Physician's Professional Services	41.12%

This AGB percentage is calculated by dividing the sum of the amounts of all of the hospital facility’s claims for emergency and other medically necessary care that have been allowed by Medicare fee-for-service and all private health insurers that pay claims to the hospital facility by the sum of the associated gross charges for those claims. The only claims that are utilized for purposes of determining the AGB are those that were allowed by a health insurer during the 12-month period prior to the AGB calculation (rather than those claims that relate to care provided during the prior 12 months).

Notwithstanding the foregoing AGB calculation, Ascension Seton has chosen to apply a lower AGB percentage as follows:

AGB: 15%
